60 Minute Scrap Hook Organizer
By: Christine Naugle

Materials:
Crochet Hook size I (5.50 mm)
50 yards of Scrap Worsted Weight Yarn (you can use one color or many colors)
Measuring Tape
Scissors
Yarn Needle
Coffee Mug OR empty/clean food can
Button about 1 ½ - 2"

Stitches & Abbreviations Used:
Hdc = Half Double Crochet
Sc = Single Crochet
Ch = Chain
Slst = Slip Stitch
St(s) = Stitch(es)
R = Row
Beg = Beginning

Gauge:
- *Gauge is always important to obtain the stated size of the finished project.*
- *Because this is a scrap yarn project, your gauge may vary slightly from one yarn brand to the next.*
- *Since this is a quick project, it is easiest to just make the cozy and then check the size. You can adjust the placement of the button if it is just slightly off gauge).*
Completed Size:
10" long x 3 ¾" high

Written Pattern

You can make the pattern a solid color or multiple colors. I used scrap yarn and switched color in the joining slst of each row.
Do not count the beginning chain of the row as a stitch.

R1: Ch 25, 2sc in 2nd ch from hook, [sc in next 22 sts, 2sc in last st], *rotate the beg ch and work along the opposite side of the beg ch*, 2sc in 1st st, repeat [ ] around, join, (52)

R2: Ch 1, 2hdc in first 2 sts, [hdc in next 22, 2hdc in next 2 sts], 2hdc in next 2 sts, repeat [ ] around, join (60)

R3: Ch 1, *work this entire row in the backbar of the hdc of the prior row*, [sc in st, 2sc in each of the next 2 sts, sc in next 24 sts, 2sc in each of the next 2 sts, sc in next st], repeat [ ] around, join (68)

R4: [ch 3, skip next st, slst in next st], repeat [ ] around, join in same st as join from prior row (34 slst + 34 ch sps)

For the next row, you will work into the top of the skipped stitches from R3, keep the chain spaces to the front of your work.

R5: Ch 1, 2sc in each of the skipped sts of R3, join (68)

R6: Ch 1, hdc in first 2 sts, [2hdc in next 3 sts, hdc in next 24 sts, 2hdc in each of the next 3 sts], hdc in next 4 sts, repeat [ ] 1 more time, hdc in each of the last 2 sts, join (80)

R7: Ch 1, *work this entire row in the backbar of the hdc of the prior row*, hdc in first 4 sts, [2hdc in each of the next 2 sts, hdc in next 28 sts, 2hdc in each of the next 2 sts], hdc in next 8 sts, repeat [ ] 1 more time, hdc in last 4 sts, join (88)

Button Hole: Ch 12, slst in same st you just joined in, fasten off and weave in ends.

Attach Button: Sew button to the row of loops (Round 4) on the opposite side of the wrap from the loop.
